Dear Michael,

On behalf of the Gladstone Central Committee on the Ageing and all the Clients here at the Centre, we would like express our sincere gratitude for assisting with the buses for Seniors Week held recently.

It is always a pleasure to see all the elderly Gladstone Residents enjoying themselves at various functions during the week. Without support like you and your Company we would be struggling to have everyone attend the various functions.

We, the Committee truly appreciate your assistance in paying for the buses to transport our clients. It is pleasing to have your support.

Once again thank you and staff most sincerely for all your assistance in making Seniors Week such an enjoyable event.

Yours truly

Narelle Young
